PERFORMANCE RESPONSIBILITIES:

Service Delivery

- * (1) Provide overall planning, coordination, and implementation of established project activities, under the direction of the SEDNET Administration Project and the ISRD program administrator, emphasizing professional learning offerings, professional learning communities, and building district and consortium capacity for supporting exceptional students.
- * (2) Coordinate programs and services with the Bureau of Exceptional Student Education (BESE), SEDNET administration Project, ISRD program administrator, ISRD Advisory Board, Florida's educational consortia, students and families, and established councils to meet identified project goals.
- * (3) Develop, conduct, facilitate, and evaluate professional learning activities related to exceptional student education programs, services, and project goals.
- * (4) Provide technical assistance in leadership, management, and programming related to ESE activities and services.
- * (5) Coordinate planning to involve FLDOE staff, agencies, districts, universities, and other agency personnel.
- * (6) Plan, initiate, conduct, and evaluate project activities related to exceptional student education.
- * (7) Collaborate with the SEDNET Administration Project, ISRD program administrator, and the ISRD administrative support staff to maintain all financial and budgetary matters.
- * (8) Provide appropriate technical assistance and support to enable students with emotional and behavioral disabilities to learn appropriate behaviors, reduce dependency, graduate, and fully participate in all aspects of school and community living.

Inter/Intra-Agency Communication and Delivery

- * (9) Review and coordinate activities with other state and exceptional student education initiatives.
- * (10) Work effectively through collaboration and coordination with stakeholders and partners served by SEDNET Administration Project and ISRD, emphasizing the Panhandle Area Educational Consortium (PAEC) region.
- * (11) Represent exceptional student education interests on various statewide advisory committees as relevant and appropriate.
- * (12) Knowledge of the local system of care partners includes juvenile justice, mental health, child welfare agencies, and community partners.
- * (13) Support and represent the needs of students in each school district in joint planning with fiscal agents of children's mental health funds, including the expansion of school-based mental health services, transition services, and integrated education and treatment programs.

COORDINATOR, SEDNET - ISRD (Continued)

- * (14) Improve coordination of services for children with or at risk of emotional or behavioral disabilities and their families by assisting multi-agency collaborative initiatives to identify critical issues and barriers of mutual concern and develop local response systems that increase home and school connections and family engagement.
- * (15) Increase parent and youth involvement and development with local systems of care.
- * (16) Use effective communication strategies to interact with a variety of audiences face-to-face and virtually.

Professional Growth and Improvement

- * (17) Attend state and national conferences, training sessions, and workshops relevant to exceptional student education and related to project goals to remain current in exceptional student education programs and services.
- * (18) Demonstrate knowledge of Florida Department of Education State Performance Plan Indicators.
- * (19) Demonstrate knowledge of Exceptional Education Indicators related to students with or at risk of emotional/behavioral disabilities.
- * (20) Keep well informed about trends and best practices in ESE.
- * (21) Maintain a network of peer contacts in related fields.
- * (22) Promote and support the professional growth of self and others.
- * (23) Develop annual goals related to project implementation.

Systemic Functions

- * (24) Complete all required reports in a timely manner.
- * (25) Maintain and monitor all required records, websites, virtual resources, and files related to the project.
- * (26) Plan, implement and analyze the development of project activities through collaboration with targeted state, regional, and local personnel.
- * (27) Develop products related to project goals and activities.
- * (28) Adequately plan all program and organizational functions within reasonable timeframes.
- * (29) Assist in maintaining appropriate coordination and communication among all agencies that work collaboratively providing services related to project goals.
- * (30) Promote a culture of service by exhibiting proactive interaction, assistance, and support to district staff.

Leadership and Strategic Orientation

- * (31) Use appropriate strategies and problem-solving tools to make decisions concerning planning, use of funds, delivery of services, and evaluation of activities.
- * (32) Provide leadership, direction, and coordination of initiatives that support the specified project goals and objectives.

COORDINATOR, SEDNET - ISRD (Continued)

- *(33) Use appropriate interpersonal styles and methods to guide individuals and groups toward task accomplishment.
- *(34) Provide oversight and direction for cooperative planning with other agencies to ensure the achievement of project goals.
- *(35) Perform other tasks consistent with the goals and objectives of this position.
